

Contact Lens & Dry Eye Specialists

Could your eyes do with
a spring clean?

Give your eyes a fresh outlook and a
spring clean in our exclusive, independent clinic

KTO Lenses is a small, friendly clinic with over 30 years experience. We bring a completely independent service to satisfy all your contact lens needs.

Offering unrivalled quality, care and attention to detail, we will guide you through the extensive range of contact lenses available on the market, to ensure your eyes get the best product to meet their needs!

From daily disposables to specialist Ortho-K Treatment, KTO Lenses is a highly professional clinic and dry eye specialist, capable of customising lenses especially for you.
